FRONT END DEVELOPER || TECHNICAL CONTENT WRITER

Dynamic **Front-End Developer and Technical Content Writer** specializing in web development and creation of digital content. Skilled in utilizing technical expertise **HTML5, CSS3, JavaScript, TypeScript, ReactJs, Python** and creative problem solving to enhance web solutions and optimize system performance. As a technical content writer, I break down complex topics into easy-to-understand content, helping developers and tech enthusiasts stay informed.

EXPERIENCE

TKA (The Knowledge Academy)   Jalandhar, Punjab
Content Writer and Systems Analyst   *August 2023 – Present*

- Developed and managed engaging, SEO-optimized content for various educational platforms, ensuring clarity and increased visibility.
- Conducted in-depth systems analysis to optimize hardware and software configurations, enhancing platform efficiency and performance.
- Leveraged targeted market research to adapt content, achieving a 15% increase in user interaction by aligning with audience needs.

Ansh Infotech   Ludhiana, Punjab
Web Developer   *January 2023 – March 2023*

- Contributed to the development and maintenance of a PHP-based project, focusing on enhancing functionality and user interface design.
- Implemented hardware upgrades and software optimizations that significantly improved system performance and reliability.
- Integrated new features using HTML5, CSS3, and JavaScript, resulting in a 20% increase in project engagement.

EDUCATION

Lyallpur Khalsa College   Jalandhar, Punjab
Bachelor of Computer Application's   *August 2020 – May 2023*

Sutlej Public Sen. Sec. School   Banga, Punjab
Higher Secondary (Commerce) (CGPA: 7.8)   *2018 - 2020*

Frameworks	:	React.js, Bootstrap 5
Libraries	:	RESTful API
Databases	:	MySQL, Workbench
Dev Tools	:	Visual Studio Code, Github, AdobeXD/ Figma, Kali Linux/ Ubuntu, ChatGPT

PROJECTS

Music App   *React.js, HTML5, CSS3, Bootstrap, JavaScript*   Source Code

- The app allows you to download and listen to music or videos online, providing access to a wide range of media.
- Users can add their own files or URLs, allowing for personalized playback of their favorite content.
- The app ensures smooth playback of both downloaded and uploaded files, making it convenient for users to enjoy media anytime, anywhere.

Blogging-platform   *HTML5, CSS3, JavaScript*   Source Code

- Share your visual stories by uploading photos, artwork, or creative visuals to enhance your posts and make them more engaging.
- Easily sign in to capture and share your personal moments, thoughts, or experiences with a community.
- Join a network of like-minded individuals, engage with others' content, and be part of a creative online community.

Rock, Paper and Scissor Game   *HTML5, CSS3, JavaScript*   Source Code

- You must choose between Rock, Paper, or Scissors to play against the computer and win before time runs out.
- Rock beats Scissors, Scissors beats Paper, and Paper beats Rock.
- Make your choice quickly, as there is a countdown to complete your move.

Snake Game   *Python, PyGame*   Source Code

- Steer your snake through various challenges to avoid crashing. As you navigate successfully, your snake increases in length.
- Press 'C' to replay the game and 'Q' to quit at any time.
- The goal is to survive and grow your snake as long as possible without hitting walls or yourself.

Canon Armed   *Python, PyGame*   Source Code

- Focus on timing your shots and movements to efficiently clear levels while maximizing your points.
- Consistently hitting targets and avoiding obstacles leads to higher points and more challenging levels.
- As you advance, new targets and more complex obstacles will appear, requiring improved accuracy and speed.

Coffee Website   *HTML5, CSS3, JavaScript*   Source Code

- Discover a diverse selection of coffee beans crafted with a variety of flavors and profiles to suit every preference, whether you're a fan of smooth or bold brews.
- We prioritize quality in every batch, ensuring that each coffee bean is sourced, roasted, and prepared to deliver a rich, satisfying cup every time.
- Our coffee isn't just about taste—it's about elevating your daily coffee experience, transforming each cup into a moment of enjoyment and indulgence.
